Personal Tax Return Checklist – 2016 Client: Date: To assist us in preparing your income tax return, please use this checklist when you compile your information. If you answer "YES" to any questions, please provide details for that question and attach relevant documents. With respect to your income, please keep in mind that the Australian Taxation Office has the ability to check your return income against independent sources. In particular, this applies to PAYG Payment Summary income, interest received and dividends. For deductions, keep in mind that self-assessment applies. In the event of a Tax Office audit you will need to substantiate the deductions claimed. We understand completing this Checklist takes considerable time and effort. However, this process is worthwhile as this Checklist will enable us to process your work quickly and efficiently because we will have all the necessary information at hand to complete the work. If you have any queries or concerns, please do not hesitate to contact us. I/We hereby instruct you to prepare our Taxation Returns for the financial year ended 30 June 2016. I/We undertake to supply all information necessary to carry out such services, and will be responsible for the accuracy and completeness of such information. You are hereby authorised to communicate with my bankers, solicitors, finance companies and all government agencies such as the ATO to obtain such information as you require to enable you to carry out the above assignment.
